Gliding Hawkes Bay & Waipukurau Inc.
Club Membership Fee Structure
(as at 01 July 2022, subject to change)

Student Pilot	\$450 per year <i>This category is for members joining and learning to fly. They are normally entitled to fly only MX and YP. Once they have obtained their Soaring Pilot (QGP), or equivalent qualification, and wish to fly other club gliders, they must become full flying members.</i>
Full Flying Member <i>(including private owners)</i>	\$1,000 per year <i>This category entitles members to fly all club gliders.</i>
Junior Member (studying)	\$nil while subsidised by Gliding New Zealand <i>This category is for people up to the age of 26 and in full time study.</i>
Junior Member (working)	\$120 once employed and no longer subsidised by Gliding New Zealand <i>This category is for people up to the age of 26 who are no longer studying full time and are working.</i>
Tow Pilot	\$300 per year <i>This category normally does not include any club glider usage.</i>
Active Life Member	\$430 per year <i>This category is bestowed by the club and entitles limited club glider usage.</i>
Associate Member	\$40 per year <i>This category is for non-flying members or flying members of another New Zealand Gliding Club.</i>
Tow Charges	\$9.50 per minute for full members \$4.75 per minute for all Junior members
Tow Plane Hire	\$3.60 per Hobbs meter minute (\$216 per hour) for non-towing flying
HB engine use	\$6.00 per minute for all members

All fees are to be in advance i.e. Members must be in credit at all times. All membership fees are due for payment in July or proportionally from the month of joining the club.
