Gliding
HAWKE'S BAY & WAIPUKURAU

Looking for that unique Christmas gift? The club offer vouchers for trial gliding club membership flights which are an excellent, inexpensive, way to experience gliding for yourself or a friend. The trial membership flight cost includes one flight with a qualified instructor including a ground briefing and hands on control during the flight and a three month membership of the club which allows further flights during the three months at the cost of the launch only. Trial membership flights are normally offered most Sundays subject to weather, airfield and aircraft availability. Other days may be possible for multiple trial flights subject to arrangement.

The club offers three trial membership flight options:

1. $150 - launch to 2,000ft - about 15-20 minutes of flight time*

2. $200 - launch to 3,000ft - about 20-30 minutes of flight time*

3. $300 - launch to 4,000ft - about 30-40 minutes of flight time*

** Note that actual flight times will vary depending on flying conditions*

The club can also tailor packages to suit your needs. Please contact us to discuss your requirements.

Further details of how to purchase vouchers for trial gliding memberships are on the gliding club website at http://www.glidinghbw.co.nz/

While soaring flights are weather dependent, once you have experienced one, you will want to join us. Just ask Cameron Steed who recently flew for around 2.5 hours in GMX from an $80 tow. Can you match that in a power plane?

So what are you waiting for? To learn more about the weather and the "air pockets" you fly through in powered aircraft, come and join the gliding club.

Further details about the club and learning to glide are on the gliding club website at http://www.glidinghbw.co.nz/
